PAPER CONTAINER DIVISION
349 ORATON STREET
NEWARK 4, NEW JERSEY

September 19, 1952

Mr. Patrick J. Murray,
Chief of Police
Plainfield, New Jersey

Dear Sir:

With regard to your postal card of September 18, we appreciate very much your calling to our attention the fact that you have come into possession of one case of Cylindrical containers which dropped from a truck while passing through the city of Plainfield.

This merchandise is worth about $6.00 and it would cost us more than that to go to the trouble of picking it up. Therefore, you may dispose of this case in any way that you see fit.

The containers themselves would be very useful to a tavern for use as a carry-out beer container, and a diner or a restaurant with carry-out coffee trade could also put these containers to good use.

We will leave disposition of this merchandise entirely in your hands. May we once again express our appreciation for your bringing this to our attention.

Yours very truly,
